

12.1F. STATEMENTS OF RESPONSIBILITY. [New]

CONSER standard record practice: It is not required to give a statement of responsibility, in the 245 field or in a 5XX field, appearing on the serial issued used as the basis of the description if there is a 7XX field for the person(s) or corporate body(ies). If an existing record or if data supplied by external sources has a statement of responsibility in the 245 field or 5XX field, don't delete it.

CONSER minimal record practice: If an authority record exists or is being created in the LC/NAF for the person(s) or corporate body(ies) appearing on the serial issue used as the basis of the description, it is not required to give a statement of responsibility in the 245 or the 5XX field. If an existing record or if data supplied by external sources has a statement of responsibility in the 245 field or 5XX field, don't delete it. In cases where no authority record will be created or updated, give a statement(s) of responsibility in the 245 field or 5XX field.
